Start Your Aviation Journey Today!

Come Fly With Us!

DeFuniak Springs Flight Academy is located in the panhandle of Florida near the beautiful beaches of Destin/Ft Walton, FL. At DSFA we offer FAA Flight Training Programs managed by aviation professionals with over 70 years of combined experience providing pilot instruction. We are dedicated to delivering our U.S. and international students with training programs specifically tailored to meet each student's needs. We also have student lodging available. Our staff of FAA certified instructor pilots are all experienced professional instructors with thousands of hours of flight and instructor time bringing a wealth of realism and knowledge to our training.

We offer flight and ground instruction, simulator training, online ground school courses, FAA flight reviews, LaserGrade FAA knowledge exams, FAA medical exams and checkrides alongside authorized FAA Examiners. Upon completion of training, you will be able to fly a plane on your own! You will understand all the technical aspects of flying and you will confidently and safely be able to fly the friendly skies to anywhere you desire.

If you have a dream for an aviation career, you will be able to time build in our aircraft to achieve the flight hours needed to obtain your commercial license. As our student, we will even help you start your aviation career through our network of airline contacts. For more information about our prices and availability, visit our website: www.dsfa.us

Our flight training program will provide future pilots necessary skills to independently operate on the ground and in-flight, achieve initial flight certification, and maintain currency.

We offer the following flight training:
Private Pilot
Instrument
Commercial
Multi-Engine
CFI

Our team would love to help you become a safe, qualified, and exceptional pilot! Not 100% sure yet? Come fly with us! We have a fun and exciting Discovery Flight where you will enjoy your first flight lesson that will truly be an experience you will never forget. It's fun, exhilarating, and will provide you with your first experience towards becoming an actual pilot.
